EDUCATION SECRETARIAT

Sanctions the enhancement of the rate of Dearness Allowance to the employees of Government Hostels, Municipal High Schools, Aided Institutions under private management and Sanskrit Patasalas in the State.

READ—

Government Order No. E. 5947-8—Edn. 42-42-104, dated 27th May 1944, sanctioning, among others, payment of grant towards Dearness Allowance, from 1st January 1944 to the end of June 1944, to the Training substitutes, employees of Government Hostels, Municipal High Schools, Aided Institutions under private management and Sanskrit Patasalas in the State subject to the following conditions:—

- (1) that it will be payable at 3 per mensem per head in respect of all full-time employees including the maid servants and scavengers in hostels attached to the Government Institutions;
- (2) that the grant payable towards dearness allowance to the employees of all the other types of institutions, Municipal and Aided ones under private Managements will be only in respect of those who are employed on a full-time basis;
- (3) that the Government grant will be limited to one-half of the actual expenditure incurred by the respective managements on this account and will not exceed Rs. 2-8-0 per mensem per head in the case of employees on a pay of Rs. 50 and less in places other than Bangalore City, and Rs. 8 per mensem per head in respect of all others including all employees on whatever pay in Bangalore City;
- (4) that in the case of Sanskrit Patasalas the dearness allowance be fixed at Rs. 3 per employee in respect of all the Patasalas except those at Tiptur and Siddaganga which are managed by separate Committees and have funds to meet a portion of expenditure on this account and that except in the case of those two Patasalas, the managements' share need not be insisted upon.

2. The undermentioned Government Orders sanctioning the continuance, from time to time, until further orders, of the payment of grant towards dearness allowance sanctioned in the Government Order read above on the same conditions mentioned in that order:—

- (1) Government Order No. E. 533-4—Edn. 42-42-106, dated 27th July 1944.
- (2) Government Order No. E. 3791-2—Edn. 135-44-2, dated 1st February 1945.
- (3) Government Order No. E. 5305-6—Edn. 135-44-6, dated 30th April 1945.

3. Government Order No. Fl. 4152-1215—S. & A. 160-44-1, dated 27th March 1945, sanctioning, among others, enhanced rates of dearness allowance to employees in the several Departments of Government with effect from 1st January 1945 until further orders.

4. Letter No. DI. 1676-87 of 44-45, dated 24th May 1945, from the Director of Public Instruction regarding the enhancement of the rate of grant towards dearness allowance to the employees of Aided Schools, etc., sanctioned in Government Order, dated 27th May 1944, read above.

5. Government Order No. E. 1812-13—Edn. 135-44-9, dated 2nd October 1945, sanctioning the proposal of the Director of Public Instruction to pay out-right a grant of Rs. 3 per employee, instead of half the rate of dearness allowance paid by the Management, in respect of Sanskrit Patasalas at Siddaganga and Tiptur with effect from 1st July 1945.

ORDER No. E. 2035-6—Edn. 135-44-10, DATED, CAMP MYSORE, THE 18TH OCTOBER 1945.

The Director of Public Instruction reports that representations are being received from the managements of certain aided institutions requesting that the grant towards dearness allowance may be enhanced since the employees of those institutions are being paid the allowance at the same rates as those paid to the Government employees from 1st January 1945. He is of opinion that it is necessary that at least a part of the additional cost in that connection be met by Government by enhancing the rate of grant and states that if the rate of grant is enhanced by only Re. 1 per mensem per head, the extra cost would be about Rs. 16,000 and odd per annum.

Government are pleased to enhance the rate of grant towards the dearness allowance to the employees referred to by Re. 1. (one rupee only) per head per mensem uniformly, with effect from 1st January 1945 subject to the conditions referred to in the Government Orders read above. The extra cost on this account will be met from the sanctioned grants of the Education Department for the year 1945-46.

ADDITIONAL SECRETARIAT

Sanctions the continuance of intensive work in the first set of hoblis and of the services of the First Batch of Gramasudharakas during 1945-46.

READ—

Government Order No. L. 15-64—V. P. 23-42-7, dated 22nd October 1942, sanctioning a scheme for Rural Reconstruction Drive in certain hoblis.

2. Government Order No. L. 11523-63—V. P. 34-43-26, dated 17th May 1944, ordering the continuance of the intensive work in the first set of hoblis during 1944-45.

3. Letter No. C. 639—45, dated 4th September 1945, from the Revenue Commissioner in Mysore, recommending the continuance of the first set of Gramasudharakas during 1945-46 also.

ORDER No. L. 3283-318—V. P. 12-45-19, DATED CAMP MYSORE,
THE 25TH OCTOBER 1945.

It is reported by the Revenue Commissioner that many of the programmed works are still remaining incomplete, as during 1944-45 also much progress could not be secured owing to abnormal conditions arising out of war, and that since revised rates in respect of village improvement works, on a par with the schedule of rates of the Public Works Department, are now sanctioned, better progress can be secured during the current year. Having regard to these circumstances and to the fact that it is also proposed to appoint Development Officers to each district, it is expected that better results could be achieved henceforth. Government are, therefore, pleased to sanction the continuance of the intensive work in the first set of hoblis and also the gramasudharakas in these hoblis for a further period of one year, i.e., till the end of June 1946.

The Revenue Commissioner is requested to see that the programme of Development Works drawn up in the first batch of hoblis is fully worked out by the end of the current official year.

The Revenue Commissioner is requested to submit a detailed report by the end of March 1946 regarding the progress made in this direction.
